

**Certified Occupational Safety Specialist**

**AUTHORIZED TRAINING PROVIDER**

# Certified Occupational Safety Specialist (COSS)

Whether you want to transform your workplace or your career, the COSS course is the most effective method for the safety practitioner to achieve both.

## People Just Like You Rave...

"The COSS program was an excellent experience. The material, instructor and interaction with other Safety Professionals was very supportive and refreshing. I look forward to using the resources and knowledge gained in my efforts to promote safety in my organization."

- Brian Teig, COSS City of Riverside

## Format:

- \*40 hours packed with learning
- \*Case studies are used extensively to bring learning objectives into focus.
- \*Speakers are brought in from OSHA, CAL-OSHA and other governmental agencies to enhance the learning experience.
